Our Waterloo beans are 100% Arabica and are carefully sourced from the heights of the Colombian mountains. They are roasted for slightly longer than normal to gently release the flavour of the bean, giving it a smooth taste with a soft citrus finish.

With its heavy body & buttery mouthful our complex & chocolaty espresso has the body & depth of flavour to stand up in milky drinks such as Lattes & Cappuccinos or is delicious drunk neat as a single or double Espresso.

All our food is prepared in a kitchen where nuts, gluten and other allergens are present. Menu descriptions do not include all ingredients, please speak to our staff before you order if you have any allergy or intolerance or require any further information about the ingredients used.
